East Valley Institute of Technology
1601 W. Main Street
Mesa, Arizona 85201

Dear Dr. David Schapira,

This letter is to confirm that East Valley Institute of Technology is accredited in good standing by AdvancED/North Central Association Commission on Accreditation and School Improvement (NCA CASI). Both the high school programs and the adult education programs are included in the accreditation. Initially accredited on April 1, 1987, EVIT has been continually accredited since that time. Most recently in June of 2014, EVIT transitioned from the Postsecondary Education Division to the Schools Accreditation Division, and thereby, is now managed by the AdvancED Arizona office.

Furthermore, on June 29, 2010 the Board of Trustees granted East Valley Institute of Technology a five year period of accreditation through June 30, 2015. With the transition to Schools Accreditation, EVIT accreditation period was extended through June 30, 2016. The institution's accreditation status is reviewed annually through the annual report process. Specifically, the accreditation continues to include academic core classes as well as the career and technical education courses. EVIT will be expected to host an External Review during the 2015 – 2016 school year as part of the process for continued AdvancED Performance Accreditation.

Please feel free to call or e-mail me for any further assistance. (623.512.1035)
charris@advanc-ed.org.

Sincerely,

A handwritten signature in cursive script that reads "Connie Harris".

Connie Harris, Ed.D. Director
AdvancED Arizona
